Dear Mr. Simons:

I just had a note from Bill Hilvers telling that you are planning and will be in on the newspaper hunt this year. This certainly is mighty good news to me and we have both you and Pat Maloney in on the yes list so that you can rest assured arrangements will be made so you will have a place to put up for the night.

This hunting party is really getting to be a humdinger. This year we anticipate approximately forty fellows. You may have heard that pheasants are a little hard to get now but by October 27 or 28, we will have had enough hard frost so the cover won't be anywhere near as bad as it is now. Then, too, the birds will be more matured, in fact, everything should be tip-top for a real good hunt. I take it from Bill's letter that you contemplate reaching Woonsocket sometime on October 27.

Very truly yours,

E. J. Kahler
