

Sayd my Husband shoud be ruined & thrown in
Goale, The meaning of that is, That he hath the
Security Bond in his Hands and he hath no other
way than to burn it. How do you know he has
the Security Bond in his Hands? I went to Mr.
Brayfeld to know if he had it, and he sent for
Answer, he had it not.

Did Bambridge make no other Application
to you? Bambridge Called at my Lodgings abo.
Three Weeks ago, and told my Husband that he
wondred that he suffered me to converse with the
Gentlemen of the Committee and their Agents, for
they woud lead me to a precipice and there leave
me, for every Body woud be overturned that
meddled in that Affair: I mentioned this to
Bambridge about four or five Days ago, and did
ask him again if he had left such a Message &
he owned to me that he had.
