

2. To whom was that Letter carried & what was the purport thereof?

3. Upon your refusal do you know, who was employed to carry it, and what answer was received by them?

4. Did Bambridge tell you that L. C. J. D. was in Newgate with him Bambridge?

5. How often did he tell you so?

Then the Committee called upon Mr. Hughes to know how he came by those Quorids.

Who informed the Committee that they were put into his Hands this Morning by John Campbell.

It was asked Mrs. Birnie (Answer the Question directly) Please to show me the paper, Answer the Question directly. I did deliver a paper to that Honble Gentleman in the Chair. When did you deliver it? I believe there was Two papers delivered Can you recollect the Contents of that delivered this Morning? To him, the One was delivered this Morning, the Substance of that paper I had from the Mouth of Mrs. Birnie, It was

Whether Mrs. Birnie was not desired by Bambridge while in Newgate to go with a Letter to Serjeants Inn in Chancery Lane.

To whom that Letter was to be carried and the purport thereof?

Whether she did not refuse carrying of it and who was employed to carry it, and what Answer was received?

When was this Conversation? I have had several Conversations with Mrs. Birnie (No body would have appeared here had they not been called upon) I said to her Madam there has been a great many things said.....

Do you know of any Sum of Money received from any Honble person by Bambridge? She says I can't say I did, but Bambridge desired me to carry a Letter to Serjeants Inn, She said she believed she was Obnoxious to the person and it was not fitt for her to go, and she said Bambridge said if she would not go, a Gentlewoman Mrs. Smith should; She told me, Mrs. Smith went to the person and brought
