

I repeated the last time I was Examined. Give an
 Account of what Conversation you had w. Bambridge
 when in Newgate about going with a Letter to Serj.
 Jun. About Three Days before Bambridge was to
 come upon his Tryal and he refused to be tryed by
 J^r. W^m. Thompson he asked me to go to Serjeants Jun
 with a Letter, Serjeants Jun said I. Yes said he, -
 you know where, I made Answer it would not be
 acceptable to me to carry the Letter there, upon w^{ch}
 he said, ^{that} W^m. Smith shoud go, and Smith was
 sent for but whether she went or no, I can't say;
 He had but one Guinea that Day and that Night
 or the next Day he had a hundred. You sayd that
 Bambridge sayd you was to go to Serjeants Jun
 you knew where, How came he to say you know
 to whom? Because before we had been talking of
 Lord Chief Justice Eyre. What was the Conversation
 about Lord Chief Justice Eyre? Bambridge was
 saying that the Gentlemen of the Committee had
 a Mind he shoud give up Lord Chief Justice Eyre
 that he woud dye before he woud do it, Upon
 that he desired me to carry the Letter to Serjeants
 Jun and sayd you know where or you may guess
 where and I sayd if I knew where I believed I
 shoud not be an acceptable person to go there. -
 Had any one in Serjeants Jun dond you an injury
 that you cou'd not be acceptable? I had a Tryal
 on the Twenty ninth of May was two Years before

Lord -
