

73.
Recollect whether you had any conversation with
Campbell last night about this matter? It is possible
I might, I had a long conversation with him last
night but can't charge my memory. I desire to
know if you can fix the time when Bambridge showed
+ the letter? It was three or four Days before his Tryal
+ when he refused to be Tryed by Baron Thompson. —
When was the first time that you discoursed about this
Letter and to whom did you discourse about it? I believe
I spoke to my Husband and talked of a Letter that
Bambridge would have had me have carryed. —
When was the first time you told Campbell of it? I
have told him severale times but do not recollect the
first time I cannot charge my memory with it,
(I was a very unwilling Witness here and refused
four Orders before I attended) Did you ever tell
Harbing? I believe I have very lately. When did
you first tell Harbing of it? Very lately. Did you
acquaint Harbing a fortnight or a month ago? I
don't believe it's so long I do believe it's abo^t fourteen
Days ago. Did you give any Information of this
Draft before the Committee? No, I had no Inclination
to give any Informations, for what I said to Mr Hughes
was what I had before said to Harbing & Harbing
told Mr Hughes of it so I was sent for. Did you tell
Campbell voluntarily? The first time I told him was
in common Discourse, not apprehending I should be
called in Question. Can you recollect w. Arguments
Campbell used to you to come? When I had had three

Orders.
