

93.
him if he was to see him. Did you not hear what kind
+ of benefit Johnson was to have had? No, but he says
that he should be well rewarded. Where was the letter
dated from? I did not hear the Date. Who was it
signed by? I believe I saw the Name. Was there a
+ M Wills Name wrote at full Length, or only Two Letters? I
can't be positive. Do you know the Name you read?
I can't charge my Memory with it. Do you know
the contents of the Letter? I believe I know some
of them.

The Witness was Shewn the Letter annexed
to Johnson's Examination

Is that the Letter that was read in Newgate? I
can't say whether it is or not. Did Johnson give
the Letter to Welland to read? Yes. Did you see the
Letter? I think I took it in my hand. Did you
read it? I can't charge my Memory. Did Welland
give the Letter to Johnson again? Yes, and Johnson
hugged it up close. Did Welland desire Johnson to
destroy it or give it to him? Neither. Did Welland
desire any paper at all from Johnson? No. Did you
not hear Welland ask Johnson about any paper? No.
Did one Side of paper contain the whole? I have
forgotten. Was there any Name to the bottom of the
Letter or not? I can't charge my Memory with it.
Was there any Discourse about Johnson's having his
Liberty? The Discourse was concerning the contents
of the Letter. But Johnson says he could not do it but
if he did do as the Letter desired, he should have his

Liberty
