

Cousin

I had joy & meeting & opportunity
I could not but let you know that I am
very glad to hear of your welfare, & my
prayers are for continuance of it.

My Bro: (with) my Cos: I dares not
draws to town on Monday, & is im-
portunate to have me & move from
his house. I counsel with Cos: & brother
& Walcott in his say above, but I
cannot choose such a disconvenience
tho I may yield to his desires we
will not admit of a rational man.

One of his maids was buried on Thurs-
day, & Susan is ever for physic,
she has enjoyed much & long health
in her family & now for almost
6 months has been with sick-
ness & death. Cos: Taylor is as
scontent as formerly, & more likely
to see his son-in-law, than to see you
at present. I kind respects
attend you

Yr Lo: Dncl
