

think good to make as thus take 2 pound
of hoges greace one pound of ewe or cows bu
ter one pound of sheeps sewet halfe a pint
of honey a pint of sallet oyle one pound of
wax halfe a pound of kossin beat your k
ossin and then beat all together and chope
all your herbs small as many as you thin
k you can boyle with the afore said things
conueniantly then let them boyle uery sof
tly 4 hours then straine it and put to halfe
a pound of turpentine then melt it again
e and keepe it to your use for all soars if
it be to thick boyle some of it with the greene
water and put in les of the wax and of the
kossin if not thick an use put in more of the
wax and of the kossin let the kossin you use
be halfe perison

A good Salve to Skinne Sore
nipells and for the stgew
to fech it out or for a burne
or a scald

Take A handfull of st Johns worth flowers
and tops malow flowers and some leaues ked
rose leaues elder flowers and some of the mi
dell barke houns tunge leaues and flowers
alle hoe dayes singreene chope all thes and
boyle them all with hoges greace then straine
it and keepe it to your use all so ripe boyled
