put them in a coope with ni dores that they ma-
Set veery worme and be kept veery clenly and giue
them barly meale wet with muten broth or befe broth
Sift the chisell out of the meale and wet it fresh and
fresh and giue it to them allways worme and if you
pleas you may put in their meat Sume corse kichen
Suger it will make them fat the betas giue them beare
to drinke or water

For the gout in the feet

lay one aplaister of hatt cow dung to the feet proued

For the Scurvey proued

Take the tops of Rosmary and time and steepe it in
beare over night and in the morning drinke a drath
of the beare :: Doctor benbrock kecait

To make Surope of Orenges you must take the
cleere Juce of the orenges and put to it Suger
to make it Sweet and so botell it up and stope it
close if you pleas to put 2 or 3 drops of oyle the best
and put it one the tope of the botell and it will
keepe it from moulding

And excelent medison for a Cofe proued

Take 6 ounces of honey and one ounce and a halfe
of pouder of alecompane one ounce of pouder of licresh
one ounce of pouder of any seeds one ounce of pouder
of browne Sieger Candy and as much pouder of
brimstone as will lye one a sixe pence halfe and ounce
of ~~Pouder~~ Surope of Coults foot halfe and ounce of Surope of
