

## THE MASTER OF GAME

How an huntere shuld go in quest among clere speyes and hye Woode	xxxi	How a hunter should go in quest in tall and high woods	31
How an huntere shuld go in quest for to here the hertes Balowe	xxxii	How a hunter should go in quest for to hear the hart bellow	32
How þat the assemble þat men clepene gaderyng shuld be made both Wyntere and somere aftir the gyse of byzonde the see	xxxiii	How the Assembly that men call Gather- ing should be made both winter and summer after the manner of beyond the Sea	33
How þe hert shuld be meued with þe lymer and ronne to and slayn wip strength	xxxiv	How the hart should be moved with the lymer and run to and slain with strength <sup>1</sup>	34
Of the ordynaunce and of the maner of huntyng whane þe Kyng wil hunte in forest or in park for the hert, with bowes greyhoundes and stable	xxxv	Of the ordinance and of the manner of hunting when the King will hunt in the forest or in the park for the hart with bowes, greyhounds, and stable	35

Explicit Tabula.

<sup>1</sup> The Index is here at fault, for it omits at this place the 35th Chapter, viz.: "How a hunter should seek and find the hare with running hounds, and slay her with strength." The Chapter here given as the 35th is therefore really the 36th.
