

Artillery Stores &c. A few shot were
thrown into Camp today from the Tete de
Pont & 7 Gun Battery. Luckily they fired but
few, and no accident happened, few Trees
were not so fortunate, they were hit
within range of the Giff's boats, as well
as Advanced Works which were tound
down so much upon their left flank
as to oblige several Companies to change
their position, I am sorry to say with
some loss, I understood 1 killed & 5 Wounded.
Col Marlow was directed to take some
light pieces to the River Side & endeavour to
drive away the Gun boats, but was found
impracticable. I had some chat with an
Off. of the Chasseurs, who was employ'd
yesterday in driving in a Strong Regiment
of the Spaniards, who were in possession
of a Bridge directly in our rear about
a mile, the engagement was very smart
while it lasted, which was but for a few
minutes, when they retreated with some
loss & left our people in possession. Their
loss was 3 killed 2 Wounded 2 taken Prisoners
ours much greater, 1 Off killed, (This young Man
