

four tier of Guns - we could
see them in Roddy's move down
to some works ^{that were} advanced but
seem'd trifling ones. Every pre-
paration was made for landing
by us (I mean on board the
Weymouth) but no signal was
made or orders received until
the 10th. When there was a signal
for Com^d & Off^r of Corps Col. Hughes of course
went, & Gent. Morshhead altho' no
signal was made for him, went
with him just as they got along
side of the Adm^l. ^{The} signal was
hoisted for Gent. Morshhead, it
seem'd exactly as if they neglected
making any signal for him, but
