

was made by the Admiral's Ship
for all Brigade Majors & Adjuts.
Mr Ralph was on board this Ship the
Prince of Wales, went on board &
received the orders, which were,
that the Army was to be formed

into 3 Brigades - ^{sh} to consist of,
1st Brigade Strength 2nd Brigade
 14th Reg^t ----- 550 53rd Reg^t ----- 481
 42nd Reg^t ----- 180 87th Reg^t ----- 427
 Lowenstein's Fusiliers 804 60th Reg^t ----- 200
 Total 1534 Total 1108

3rd Brigade Strength
 26th Light Dragoons ----- 163
 Lowenstein's Chasseurs ----- 300
 Tobago Black Corps ----- 150
 Total 613

The Strength I have collected from
the different Adjutants, I am sure
therefore of being right, this is only
the real effective Strength tho; we
have 200 Artillery, ~~but~~ I have not
