

ES For a sore mouth or sore throat proved often

Take 3 sponfulls of small beare 3 sponfulls of white wine and one of Rose^{water} and sweeten it with lofe suger and wash the mouth and gargel the throat with it often.

For the Ageu in children ES

Make a Cleare posat with alle and boyle in it longe plantarne which some call kibworth and give a drath of it befor the fitt comes: 2 sponfulls of this hearbe the Juice of it and 2 sponfulls of white wine and sweetened with suger I have cured many Children of Convulsion fitts.

To Make a plaister to Cure Children ES
that break out in their faces or any other
part that wheses out with water or with
other Crupction or for elder people proved

Take halfe a pint of good Sallet oyle and 5
ounces of new wax yelow wax and 3 or 4 spone
fulls of Red Rose water and melt it on the fire and
keepe it softly sturing but let it not boyle till the
wax is melted and begins to sisse but let it not
boyle then take it off the fire and continew sturing
it till it is quite cold and then put it in to a
pott and spread it upon a cloth and lay it cold
where the sore is and if it Lure very much it
must be dressed twile or thrice a day with
