

st A gainst the plage
Take 2 sponfulls of red rose water and put into
it one drame of the powder of the root of Ang
elica worne it a litle and drink it as soon as
you think your selfe ill

st A water For the Stone

Take uruen and endefe by equall porcion and
still them and this is good to break the stone::
Also the distilled water of bitany is good to bre
ak the stone.....

st A marueles comfortable water a gainst
the akinge of the stomach and to caus
a woman to haue her natruall coores
that haue bene a long time stoped good
for digescion a gainst poyson or the
plage or any maner of Agew the sto
ne paine in the reins at the back and
diuers other greifs.....

Take wild Angellica one handfull egremony
mugworth wormwood auenee bitany Scabiousse
reckle boneworth kibworth dayseys roots and le
aues bramble leaues bugell of each a handfull
wash them cleane and stampe them and take
3 pints of whit wine 2 ounces of ginger findly
seraped and grosly beaten stepe them all one in
the wine a day and a night close covered a
day and a night close covered then still all
