

Take powder of sentrey and put it in to the pape
of and apell and let the child eat of it it will pur-
ge and kill the worms and cleans the blood proued
let them take it 2 or 3 mornings together at the
changes of the moone

To pickell Cowcombers a good way

Take small cowcombers and gether them dry and
then wipe them dry and cleane and then put them
up with whit wine ueniger and salt and dill and a
few hole pepers cornes and so tye them up close from
the aire

And other way

Whit wine ueniger and salt and dill or uarges
is as good to put them up with lay the dill one the
tope of them and tye them up uery close from
the aire this is a good way

you may put in some uides in your neats tung
pye and if it be tender soyled and it will make y
our tounge pye the betur

How To make the greene oyntment

Take a pound of Rue and a pound of Red saige halfe a pound
of worm wood halfe a pound of bay tops and hand full of Ras
mary tops 3 pound of marten sweett hot out of the sheep shre
d thes herbes and sweett together and beat all untill it be well
mingled take 4 pints of sallit oyle and mingle with it and when
it is beat put it in a pynat and boyle it till the herbes be d
ry and crispe take that and straine it in a pot take and o
unce of oyle of spike and mingle with it
