

The hearb marorey is verry good for any body that is
verry much bovend in the body to cole and moysten:
them, or for a woman in childbed verry safe you may
boyle some in haw otmell carell or you may shred it
and make porege of it and so eat it ::::::::::

For A Cofe proved

Take Fsope and boyle it in springe water or in
Runing water and then sweeten it with suger
or suger candy and drink of it three times a day
morning and after noone and night going to be
ad ::::::::::

An other for the same

Take new misck and boyle some Fsope in it and
so drink it at night going to bed and it will doe
good ::::::::::

greene Cherreys pickled up as olives are be v
ery good and eat like olives and look like
olives [A ::::::::::

Bitany dried is verry good to take a pipe or 2
at night going to bed for a great cofe and
for a kume in the head and some tims put
half sweetmarigome and half bitany it is a
most excellent thing for Rums ::::::::::

reerreen posats ^{to crosse Agew} are verry good for and Agew
take a good draft and goe to bed and sweet
upon it and take it one houre before the fitt
Coms it will doe much good ::::::::::
