

hot and dip it

Jan To Make puff past

Take a quart of the finest flowre and the whites
of 3 egges and the yelks of too and a litle cold wa-
ter and so make it m to perfect past then ~~drive~~^{drive}
it with a rowling pinne a broad then put one
small peeces of butter as bige as nuts upon it th-
en fould it over once then drive it a broad againe
this doe ten times allways foulding the past and
putting butter betwene every foulding you may c-
over any pretty forced dish as florantine chery ta-
rt or piping pyes betwene that past two sheets
of it

Jan To Make Cristall Jelly

Take a knuckel of veale and two calves feet yo-
ur calves feet being flayed and scalded and boy-
le them in faire springe water and when they a-
re kedye to pette you may save your flesh and
not boyle it to peeces for if you doe so the Jelly w-
ill look thick then take a quart of the clearest
of that broth and put it in to a skillett adingin-
g ther unto ginger and whit pepper 5 hole cloves
one nutmeg quartered one graine of musk put all
thes hole spice in a bage and boyle them in your fell-
y season it with 4 ounces of suger candy and three
sponefulls of rose water so let it kune thorow you-
r Jelly bage and if you wold have it of and Amb-
er culer break your spice and let them boyle in
your Jelly loose
