

Our Heritage: the Resources of the Kansas Collection

Maps
The Kansas Collection includes numerous maps of Kansas and the Great Plains depicting geographic boundaries of territories and states, the location of settlements, the progress of the railroad through the state, and the development of counties, towns, roads and highways.

KSRL 25
This is a historical document, likely a land grant or survey record, detailing property boundaries and ownership in the Newton area. It includes a list of names and dates.
