

Help save our Books!

Help preserve BOOKS for future users

1. Handle all library materials with care.
2. Avoid underlining or writing on books.
3. Photocopying can be done on books, but only on the outside cover or endpapers.
4. Food and drink are dangerous to books—keep them away!
5. Remove books from the shelves without pulling them to the top of the spine.
6. Mark ownership with the bookmark, rather than a library paper label or a sticker.

UNIVERSITY OF KANSAS LIBRARIES

The Hoch fire in 1991 damaged a number of library books located in an office used by graduate students. When the book shelves collapsed, the books fell to the wet floor. Book covers and paper text block warped and buckled. In the heat of the Kansas summer, molds and mildew flourished. After the books were fumigated, they were dried slowly.

The Book of the Dead

The Book of the Dead is a book that is a collection of stories about the lives of two men, Michael and Styles. The book is written in a style that is both humorous and serious. It is a collection of stories that are both funny and sad. The book is a collection of stories that are both funny and sad. The book is a collection of stories that are both funny and sad.

Some people mark library materials with pencil, pen or marker. At best, this annoys or distracts future users; at worst, the marks introduce inks and other substances into the paper, causing it to deteriorate more rapidly. Both books are out of print.

Case 1 BOOKS AT RISK

The unknown liquid spilled on this volume caused the pages to stick together. Several pages have been lost. This volume is still in print and available for \$80.00.
