

November 14, 1911.

My dear Dr. Naismith:

At a meeting of the Board of Regents held October 5th the following was adopted:

"Ordered that Dr. Naismith be requested to make a report on the physical condition of the male students, especially with reference to sexual diseases."

Will you kindly have such a report ready so that it may be presented to the Board?

With best wishes, I am

Sincerely yours,
