Journal

admitted that said Society did receive and appropriate to its own use in the erection of their house of worship the money for which said note was given, and that said money has never been repaid, and further that said note is duly drawn and signed by the properly constituted authorities of said Society and would be legally in full force and effect- but for the statute of limitation We believe that said note is the property of this University and that with due consideration of all the statements made to this board by said Society through its corporate authorities or otherwise We believe that ~~Said~~ Society ~~is~~ said is morally bound to pay said note

Res' 2 That we have entire confidence in the christian integrity of the great body of said Society and believe that when this matter is fully set before them, they will recognize their obligations to meet it and govern themselves accordingly

Res' 3 - That the Chancellor be requested to furnish a copy of the above to the Pastor of said Society and ask that ~~the~~ by him be laid before the Society for their consideration.
