## Record of Meetings of Board of Regents

Aug. 23.

Special  
MeetingNew  
positions

The Chancellor as a member of a Committee to procure names and testimonials of candidates for Chair of Chemistry and Physics and Chair of General and Industrial Drawing.

reported that he had pushed his inquiries in many directions for men well qualified for the Chairs, and presented the names of several persons, whom he had every reason to believe were well qualified for the consideration of the Board.

Col. C. B. Jones from same Committee reported also. W. C. Tenney of same Committee also reported.

Appoint-  
ment of  
F. E.  
Stimpson

On motion of C. B. Jones an election was entered into for a Professor of Chemistry and Physics. The election resulted in the unanimous choice of Frederick E. Stimpson of Massachusetts; and the Secretary was directed to inform of the fact and that his salary would be \$1500 per annum in state scrip.

Appoint-  
ment of  
A. J. S.  
Molinar

On motion of W. C. Tenney an election for Professor of General and Industrial Drawing was entered into. This election resulted in the unanimous choice of A. J. S. Molinar of Washington; and the Secretary was instructed to inform him of the fact, and that his salary would be \$1800 in state scrip.

Drawing  
apparatus

On motion of J. H. Vail <sup>it was voted that the</sup> the sum of \$150.00 <sup>be</sup> appropriated to purchase models for drawing; and that the Chancellor be instructed to request Prof. Molinar, in case he accept the position to which he has been elected, to proceed to New York and purchase the necessary models at a cost not to exceed \$150, and also to be forwarded to University - C. S. W. and also that thirty dollars (\$30.00) addition.
